User Stories

- **User Story 1**

As a new user I want a brief tutorial to get me started so that I don't waste a lot of time trying to figure out how to play.

- **User Story 2**

As a more experienced player, I want weather conditions to be added so that it makes the game more challenging to play.

- **User Story 3**

As a user I want to use a turn manager so that the transition between turns feels smoother and faster.
